## **DECLARATION OF LESLIE HANSON**

I, Leslie Hanson, declare as follows:

1. I am 63 years old, have personal knowledge of the matters stated in this Declaration, and could and would competently testify to these facts.
2. I am a citizen of the United States of America, and currently reside in Phoenix, Arizona, where I have lived since 2020 after moving from Indiana.
3. I am currently retired, and previously worked as the owner of a small retail business in Indiana. I am a member of the League of Women Voters, and was part of a local chapter in Indiana starting in the late 1980s. I transferred my membership to the Arizonan chapter after I moved.

1           4. I voted for the first time as an Arizona resident by mail in the August primary  
2            elections.

3           5. I was originally planning to vote via drop box in the general election, specifically  
4            at a Mesa drop box.

5           6. But I changed my plans after seeing news coverage of people dressed in tactical  
6            gear taking pictures of voters at drop boxes and verbally accosting them. The  
7            thought of dealing with that kind of verbal harassment and invasion of privacy is  
8            intimidating. I no longer consider voting via drop box a viable option.

9

10          I declare under penalty of perjury that the foregoing Declaration is true and correct.

12          Executed on October 27, 2022.
